ABOUT US

UK immigration law is constantly changing. Responses to global change frequently lead to new immigration routes being introduced to visit, work, live, study or join family in the UK.

We offer our services to a wide range of clients, including high-net-worth individuals, their families and businesses. Our team provide a tailored, efficient and pragmatic approach to find the best strategy for each client's individual circumstances and requirements, we often advise clients with complex circumstances and have a wealth of experience advising on discretionary applications.

We recognise the importance of effective and efficient communication with our clients who come from all over the world. As such, the firm has a range of employees who speak multiple languages and dialects to fluency and currently has coverage in the following languages:

- Chinese – Mandarin
- Chichewa
- Czech
- French
- Hindi
- Igbo
- Malay
- Romanian
- Russia
- Shona
- Slovak
- Swedish
 - Afrikaans
 - Spanish
- Tamil
- Telugu
- Tonga
- Ukrainian
- Uzbek

OTHER IMMIGRATION ROUTES

There are numerous other visa categories that enable foreign nationals to work in the UK, in addition to the five Global Business Mobility routes and the Skilled Worker route.

YOUTH MOBILITY SCHEME

The goal of this reciprocal cultural exchange program is to give young people from participating nations, between the ages of 18 and 30 (or 18 to 35 for certain nationalities), the chance to live in the UK for up to two years (or three years for nationals of New Zealand). During this period, the visa holders may live, study, work in most occupations, or run their own business in the UK.

GLOBAL TALENT ROUTE

Internationally renowned experts in science, humanities, engineering, arts, and digital technology are encouraged to use this route to seek employment in the UK. The top highly skilled foreign talent may enter the UK without a job offer; however, they will first need to obtain endorsement from an approved and recognised UK body.

INNOVATOR FOUNDER PROGRAMME

This route is intended to draw entrepreneurial talent from overseas, focussing on forward thinkers who want to launch a cutting-edge business in the UK. The UK welcomes business-minded innovators who are prepared to scale up and expand their businesses by bringing innovation to the UK market and beyond.

SCALE-UP ROUTE

The Scale-up visa route is open to individuals who receive a job offer from a qualifying fast-growing UK company (a 'scale-up business'). The offered role must require a sufficiently high level of skills from the candidate and meet the specified salary threshold. This programme aims to facilitate access to foreign talent for the UK's fastest-growing companies.
